### FOR IMMEDIATE RELEASE – April 2, 2020

#### **Montgomery County Health Department announces 3<sup>rd</sup> and 4<sup>th</sup> case of COVID-19**

Montgomery County, MO – The Montgomery County Health Department has confirmed its 3<sup>rd</sup> and 4<sup>th</sup> positive cases of COVID-19 in Montgomery County.

The two new laboratory confirmed cases are currently under investigation and we will continue to contact those identified to be at risk. As before, the patient's identity will remain confidential; therefore, we will not be releasing any personal information about these cases.

Montgomery County Health Department issued a health advisory on 3/30/20 strongly recommending our citizens to stay at home or place of residence, and for non-essential businesses to close. With the addition of these 2 COVID-19 cases in our county, we again ask that ALL citizens follow our recommendation.

The Montgomery County Health Department is taking necessary precautions to keep our patients and community safe and will continue to diligently monitor the COVID-19 situation and follow CDC guidelines to help protect the public health and limit spread of this infection.

If you have questions, please consult a factual source, such as [www.health.mo.gov/coronavirus](http://www.health.mo.gov/coronavirus) or [www.CDC.gov](http://www.CDC.gov). The community can also call MDHSS 24-hour hotline (877)435-8411 or Montgomery County Health Department to address questions or concerns related to COVID-19.
